## CABERNET SAUVIGNON TEMPRANILLO

VINO DE LA TIERRA DE CASTILLA

### TASTING NOTES

Intense ruby in color, this complex bouquet combines ripe dark fruits typical of the Cabernet Sauvignon with floral and spicy notes of the Tempranillo and is sealed with a hint of medium toasted oak.

This wine celebrates Southern Spain's hot weather and drylands through a bold structure and ripe tannins. The fruit flavors are intense, with blackcurrant and cherry notes on the mid palate and a spicy yet smooth finish.

### GRAPE VARIETIES

60% Cabernet Sauvignon  
40% Tempranillo

### WINEMAKING

A portion of the Cabernet Sauvignon was aged 6-8 months in a combination of French and American oak to add complexity in flavor and to soften the texture and tannins.

### SERVING SUGGESTIONS

This bold wine is an ideal companion to smoked chorizo or a refreshing gazpacho, and will also enhance spicy ethnic dishes and strong cheeses.
